Ms. Sharie's News: I have ordered caterpillars for both classrooms. Pre-K and the Pre-school classes will both enjoy learning about the life cycle of a butterfly. Please look in both classrooms as the caterpillars will start hatching into butterflies soon. Thank you for sharing your children with us this past year. Have a BLESSED summer!

We are asking each family to donate a baked good to share at our End of the Year Program/Graduation reception. The friends are always proud to share what they bring from home. We will supply drinks, some cupcakes, etc. Please drop off treats the morning of Tuesday, May 23rd or the night of the Program. **Peanut free treats please**

Ms. Kelly and Ms. Andrea's Class:
Wow! Our last month of Pre-K is upon us! What a great year we've had making friends and learning new skills. Our caterpillars are due to arrive soon so we will be learning about metamorphosis and watching it happen right before our eyes. We will also be practicing for our end of the year graduation performance. We are so excited to perform for our families!

The ATLC staff wishes you a happy and safe summer, Ms. Sharie, Ms. Kelly, Ms. Andrea, Ms. Suzie, Ms. Erin, Ms. Rachel, Ms. Chloe, and Ms. Stacey.
